

Year 6

Another industrious week in year 6. 6B have been working hard on their ancient Greece assembly which was today. Thank you to all the parents who came along to support them - they were great.

In literacy we have been studying science-fiction. We have watched videos, developed plots through drama and written setting descriptions. The children's work has been great and they have been really engaged.

Well done to our year 6 athletes who took part in a competition on Wednesday - they represented the school particularly well and we look forward to getting the results of how we did. Watch this space.

You should have now received a letter regarding our trip to The British Museum on Friday 12th December. Please remember to return the permission slip promptly. Anyone who is willing to come along to support us with the trip, please let us know on the reply slip as without volunteers the trip will not go ahead. Finally, please note that we cannot accept cash payment for trips anymore - please pay on ParentPay as instructed on the letter.
