

# WOODSIDE PRIMARY ACADEMY

## Nursery (Day Care) Newsletter

24th October 2014

### Lilac Room

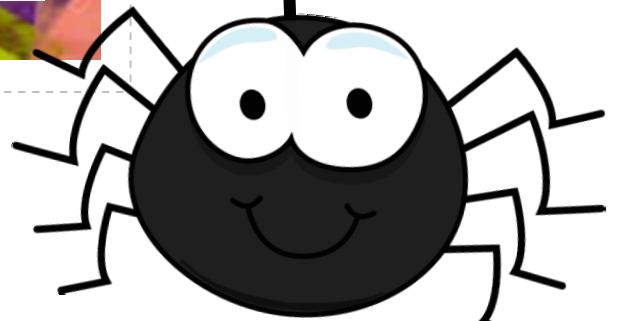

This week in Lilac Room nursery, the children have enjoyed a collage activity. We provided them with glue and spreaders and a selection of textured shaped paper. We encouraged them to explore the resources and create a collage. The children took the art work home to share with their delighted families.

### Fireworks Extravaganza!

Tuesday 4th November 2014  
At our Forest Site.  
£1 Per Ticket  
£5 Family Ticket  
(up to 7 People)  
Tickets available at Reception.

## Incy Wincy Spider

### In Acorn and Cherry Class

Acorn Class

Cherry Class

This week in **Acorn class** we have been singing 'Incy Wincy Spider.' The children have been busy making spider webs using paint and glitter, spiders using collage and drawing spiders with pens, paint and sand. They have also been catching flies in webs in the water tray and adding legs to a spider in a dice game. We have been looking for spiders in our nursery garden as well as at home. We found a big spider with a white cross on it's body in the garden, which we looked at in our bug pot. What a busy week! **Don't forget to look at our question of the day!**

**Cherry children** talked about how many legs spiders have and how a spider makes it's web. Children loved making the webs, developing their mark making skills and describing how they were making their spider's web. As one child was making her web she was saying "up, down, across".

### Magnolia Room

#### Goes Splash

This week, the Magnolia Room children had so much fun with water! We filled our tray with coloured water, different types of sea creatures and shells.
