### All Things Fireworks in Lilac & Magnolia

#### Lilac Room

This week, Lilac Room planned a creative activity about fireworks. The children were provided with various coloured luminous paints, black card (for a night time effect) and cotton buds. They decorated their card, each choosing their own colours, creating beautiful and vibrant firework paintings for the display.

#### Magnolia Room

Magnolia Room used pipettes to drizzle red, orange and yellow paint on to black card, using the ends (of the pipettes) to flick the colours in different directions. The children also enjoyed sprinkling glitter on the top creating a sparkly affect, whilst talking about the various noises fireworks make, such as; whoosh, pop, fizz, sparkle and zoom!

### Goldilocks & The 3 Bears

#### IN ACORN AND CHERRY CLASS

Cherry Class

#### Cherry Class

This week the Cherry children explored dry oats and made porridge for the Bears. They compared the size of the spoons, sauce pans and the bowls using "big, medium and small".

Acorn Class

#### Acorn Class

Acorn have been reading 'Goldilocks and the Three Bears.' We have been learning about sizes- small, middle-sized and big. They have been playing with oats, re-telling the story and dressing up as bears. Next week we will continue reading 'Goldilocks and the Three Bears.' **Don't forget to look at our question of the day which links to your child's learning at nursery!**
