

## Year 2

As part of Black History Month Year 2 are looking at the work of artist Jacob Lawrence. Jacob Lawrence lived in New York during the 1930's and 1940's. He developed his own style, painting 30 or more paintings on one subject. We have been looking at different paintings from *The Migration Series*, which look at the journeys people make. Jacob Lawrence used the same 5 colours across all the paintings in a series and we have been doing the same. Over the next week we will be creating our own paintings inspired by Jacob Lawrence's work, showing the journeys that we make. We look forward to sharing our finished paintings with you soon!
