

WOODSIDE PRIMARY ACADEMY

Nursery (Day Care) Newsletter

28th November 2014

Our nursery (day care) children came out in full superhero mode last Friday to help raise awareness for anti-bullying week!

We also raised £132.42 for Children in Need!

Well done to all the children and **BIG thank you** to everyone – including parents, who supported such a great cause!

Sand Play in Lilac Room

Sand play is a sensory experience and is open ended play. It develops imaginative play and supports language development.

This week in Lilac room, the children had lots of fun playing with sand. They were provided with toy wild animals and spoons to dig. Some children enjoyed sitting and playing together in the sand box and some explored with their hands, covering their feet with the sand.

Acorn and Cherry class take a trip to the forest!

Acorn Class spot a bear in the trees!

This week we went on a bear hunt in the forest, and we found a bear!!! We think it might have been a baby bear and mummy and daddy bear were still sleeping in their cave. We walked through lots of squishy, squashy mud! There was a swirling, whirling leaf storm and we saw some long grass.

Acorn and Cherry Class get all muddy!

The children had a fantastic time on our trip to the forest! Thank you to all the parents who volunteered and made it possible for us to go.

Magnolia Room

The children in Magnolia room had lots of fun playing with Happyland. They explored the small world people and cars, using all of them well and sharing all of the resources.

Cherry Class and their wellies!
