

Year 1

As part of Black History Month we have been looking at the work of Jean-Michel Basquiat. We looked at some of the art he created and discussed what we could see in his pictures, as well as our likes and dislikes. Next week we are going to create our own art pieces in the same style as his paintings. In music we have begun to learn the song 'Ain't no Mountain High Enough' which we are very excited about performing at our Black History Month assembly next week.
