

Year 1 Homework

Dear Children and Adults,

This term's homework is led by our creative curriculum in an effort to develop your own preferred learning style and methods of presentation; to become more independent learners; improve your research and communication skills and engage your whole family in the your experience of school. It is important to remember that children are more likely to be engaged and remember what they have learnt if they are relaxed and enjoying themselves, so please ensure you are carrying out the learning in a fun and interactive way. If you have any questions or would like support with ideas, please feel free to ask your child's class teacher, who will be more than happy to help.

READING

We would like all children to be reading at home every day for at least fifteen minutes. Your child will bring home a new home reading book weekly, according to their phonics ability. We ask that you support your child to read this book daily, as this will help build their fluency in reading. Please ask your child questions about the text or ask them to talk to you about what they have read.

NUMERACY

Children need to be supported to practice their number bonds to 10 and 20 (addition and subtraction facts), doubles to 10 and 20 and their related halves. Children should also be encouraged to rehearse counting in 2's, 5's and 10's. We would like you to ask your child to count forwards and backwards from any number within 100.

TOPIC WORDS

Do you know what these words mean and do you know how to write them?

Transport
Travel
Boat
Lever
Slider
Observe
Shadow
Texture
Evaluate
Bridge
Unhealthy
Healthy
Nutrition
Exercise
Hygiene
City
Landmarks

SPELLING

Every Friday your child will be given a list of words to learn to spell. Please support your child to learn these words in a fun and interactive way as they will be tested on them the following Friday.

Remember you can complete each task in whichever way you wish. You could complete it through posters, art work, movies, written poems, stories and PowerPoints. We look forward to seeing your final projects.

YEAR GROUP 1

DATE SET

3rd March 2023

DATE DUE

31st March 2023

Homework Questions for Y1: Spring Term 2 2023

Task 1	How can we keep safe outside?
Notes	You are in charge of 'Road Safety' in Walthamstow! Can you create a poster about road safety informing people about how to keep safe when walking near or across the road? How should you behave when you are walking near or across the road? What should you do?
Task 2	What is your most favourite place you have visited in London?
Notes	We are learning about the cities in the UK and their famous landmarks. What is your most favourite place that you have visited in London? Why is it your favourite? Who did you go there with? What did you do there? What mode of Transport did you use to get there? You can display this piece of work in any way you wish!
Task 3	What do animals need to survive?
Notes	We have been learning about what animals, including humans, need to survive. Can you choose an animal to research? We know that animals' basic needs for survival are: food, air, water and shelter. Can you find out more about what your chosen animal needs to survive? What kind of habitat do they live in? What kind of shelter do they need? Why? What kind of foods do they eat?

Bring in all your homework pieces for our Year 1 Homework Parade. Remember to be creative!
We look forward to seeing all your proud faces.
