Nursery (Day Care) Newsletter

5th December 2014

Introducing...
Our Headteacher
Mr Shane Tewes

Mr Tewes, as the Headteacher, has overall responsibility for the leadership and management across the Nursery and main School.

Lilac Room's Sea Creature Adventure

This week, Lilac Room children enjoyed a warm water and sea creature experience.

The children enjoyed splashing and splashing and feeling the wetness of the water.

This is a great activity as it is using natural materials; it helps develop physical skills and more importantly is great fun!

Activity Key Words:

Warm, Wet, Splash and Dry.

Let it Snow, Let it Snow,
Let it Snow!

In Magnolia

Let's make snow!

Magnolia Room children have started their Christmas decorations this week.

They made stockings and are in the process of writing letters to Santa. They also made snow by adding water to white crystal powder, exploring with brushes and their fingers.

Acorn and Cherry Class Read

The Three Billy Goats Gruff

Cherry Class

Acorn Class

This week, **Cherry Class** have had great fun learning about sizes and positional language through reading and retelling the tale with props.

They have also built features from the story during construction play, alongside creating the book's characters through role play and using a range of creative materials and techniques.

Acorn Class have been on a trip, trapping over bridges and playing the scary troll! They have created the sweet green grass with paint and tools to scrape the paint. We blew bubbles to make the river and painted blocks to make the bridge. The children also painted their own scary trolls to hide under the bridge. We have used a range of techniques with paint to create different effects! **Ask your child if they can tell you about the Billy goats and the troll.**
