

**SORRY IT'S LATE!**

# WOODSIDE PRIMARY ACADEMY Nursery (Day Care) Newsletter

## Welcome Back to Nursery!

### An Exciting New Start to Term

We would like to welcome back our parents and children to Nursery (Day Care) and hope you enjoyed your end of year break!

In our first week back, we have been very busy preparing for our new topics for this term. Acorn and Cherry Class children have been learning about people who help us and have created a display using books. We have set up a veterinarian surgery for role play in the nursery and a Police Station in the garden.

Lilac Room have working with high contrasting colours as an effective way of stimulating the children's vision.

They have created a display with black and white patterns, used a variety of black and white textiles and objects as a part of their activities during the day.

This term, Magnolia room will be focusing on nature and have created a nature corner. The children have been digging up soil and looking at different bugs and insects from the garden.

**Best Wishes, The Nursery Team**

# Happy New Year to All!
