Acorn Class raising awareness for Children in Need

Teddy

This week, the Acorn class talked about Children in Need and how it helps children who are hurt, sad or need special things. They made their own Pudsey ears, colouring in the spots. We even had our very own Pudsey bear, Teddy help, us raise money for Children in Need.

Help us raise money...

Throughout next week we will still be taking donations for Children in Need. Thank you for all your help!

Magnolia Room

This week we have been reading 'After the Storm' by Nick Butterworth, focusing on Percy the Park Keeper. We were inspired by all the trees and falling leaves from the book and in our garden, so as part of our activity, the children created a tree collage using hand prints, tissue paper and animal stamps. They also collected leaves to thread and we hung them from our class ceiling.

Imaginative Play Expressive Art and Design in Lilac Room

This week in Lilac room we created opportunities for imaginative play. The children used 'Animal Capes' to pretend to be a lion, a tiger, a sheep or a pig!

We provided hats, and bags, so that the children could dress up. Some children put the handbags over their shoulders and walked around the room.

Why not encourage your child to be imaginative? Make a collection of objects reflecting everyday life such as real kitchen items, pots and pans and wooden spoons and watch the fun begin!

Adam off to work.

Cherry Class

In Cherry we made porridge! Continuing from last week, reading Goldilocks and the Three Bears, the Cherry Children talked about what ingredients we used to make the porridge. We had honey with our porridge. "It was yummy!"

We're supporting **BBC** **HERO** Children in Need
