ANN AND NAZ'S ATTENDANCE NEWS

Welcome to the Spring 2 Newsletter.

In this Newsletter we will be sharing some useful links for Early Help and Parent Support Groups.

The Early Help Team work with other professionals in partnership with parents and carers to ensure that families needing support are given it at the earliest opportunity.

We understand that at times reaching out for support and help can be difficult, but this is a positive step in ensuring you are doing what is best for your family.

If you are unsure as to what direction to take, please come in and speak to us and we can try and advise on what steps to take.

If you visit the links provided there are some good parenting links and information that you may not have been aware of.

We wish you a lovely Easter Break

Children will return to school on
Tuesday 22nd April 2025

Why is School Attendance so Important?

ATTENDANCE

LESS CHANCE OF SUCCESS

SERIOUS IMPACT ON EDUCATION

Every Minute Counts

Your child has already missed 15 minutes. The register is taken and children are 'late' after this time.

lateness = lost learning

Children find arriving at school late upsetting, and they miss out on important opportunities.
