

International School Award

We are delighted that last year our school was awarded the **Bronze Level International School Award** in recognition of our commitment to promoting international awareness and understanding across the curriculum.

International School Award

Certificate

This is to certify that

Woodside Primary Academy

has achieved

Foundation level

Introducing internationalism

A handwritten signature in black ink, reading "Scott McDonald".

Scott McDonald
Chief Executive, British Council

As part of our international work, **Spanish is taught as our Modern Foreign Language (MFL)**, providing pupils with regular opportunities to develop their language skills while gaining an understanding of the cultures, traditions and geography of Spanish-speaking countries around the world. Through lessons, projects and cultural celebrations, children are encouraged to appreciate diversity, build global awareness and become confident global citizens.

This achievement reflects the hard work of our pupils and staff in developing meaningful global learning opportunities and celebrating cultural diversity within our school community. Through a range of international projects and activities, we have encouraged children to develop a deeper understanding of the world around them and their place within it.

Building on this success, we remain committed to expanding our international work and strengthening the international dimension of our curriculum. We look forward to continuing our International School Award journey and working towards achieving the **Silver and Gold levels** in the coming years.
