2026

At Woodside, we believe every child deserves an enriching, diverse and inspiring educational journey.

Our mission is to equip pupils with the skills, values and confidence they need to thrive as successful young adults in the wider world. We encourage them not only to live by our seven life values but also to pursue their individual passions with purpose and enthusiasm.

Our extra-curricular programme plays a vital role in this journey, offering pupils a range of opportunities in a fun, safe and supportive environment - where curiosity is nurtured and talents are discovered.

Woodside-run clubs are taught by our very own staff and are provided free of charge. Every student is entitled to a place in one free club each academic year.
