Year 6 Homework
Autumn term 2

Dear children and adults,
Please see below for the year group homework. Whilst we expect all pupils to read and practise their times tables each day, please note that the curriculum homework is an optional extra. Should your child choose to complete the homework, we have planned it so it is suited to your child's own preferent learning style and methods of presentation; to become more independents learners; improve their research and communication skills and engage their whole family in their experience of school.
Your child will be given several questions to research the answers to each half term.
We expect all homework to be of a high standard which reflects the effort and pride in the time taken to complete the work.

READING

You should be reading at home every day. You have a class reading record in school to sign for when you have read. Keep your reading book in your book bag and bring it to school every day.

NUMERACY

You need to practice all of your times tables facts up to 12x12 every night. Remember to learn the corresponding division facts as well as the multiplication facts.

Key Vocabulary

Do you know what these mean and how to write them?

Windrush
generation
abolition
slavery
pitch
phase
population
assemblage
sculpture
memory

Make a glossary of these key words.

SPELLING

Each week you will be given a list of words to spell. Please learn these as we will be checking the following week.

Remember you can answer your questions in whichever way you wish such as posters, art work, movies, written poems, stories and PowerPoints. We look forward to seeing your final projects.
