

Year 1

1+1 = 2, 2+2 = 4... We have been learning all about doubles! We used ladybird spots to double numbers to 10 and 20. We have also begun learning about halves using a sandwich, multi-link blocks and cupcakes. We have really been enjoying our PE lessons where we have been learning to work as a team whilst practicing our racket skills and balancing. Can parents please ensure that **all** children have PE kits in school every day. Many children are missing out on these fun PE lessons as they do not have a kit.
