

## Year 6

Well done to year 6 who worked so hard on their mock SATs this week - they have done well overall and we will use the results to inform our planning for next half-term. As with last time round, there may be some movement in groupings in the new term - we will keep you informed. We had a great visit to the British Museum last Friday and the children enjoyed looking at the Greek artefacts and attending the workshop - their knowledge was excellent and the staff were most impressed. Hope you all have a great holiday and enjoy the break. We have handed out a small homework pack for children to complete - we don't expect them to spend hours each day working as we all need a break!
