

Waltham Forest Sports Awards

Congratulations to our last years' Year 2 Cross-Country team, who were short-listed to receive the Waltham Forest Junior Sports Team of the Year Award. The award recognises Under 11 teams who have achieved outstanding success or achievements within their sport.

Jessica Laryea, a Parent Governor says, "As a parent and governor of the school, I was very proud to be one of the parents accompanying the pupils and the PE team, Mr Jordon and Miss DeBiase, to this year's Waltham Forest Sports Awards. As we arrived, it became clear very quickly that this was no ordinary awards ceremony. Red carpet, drinks reception and big round tables with lit centre pieces. It felt like we had arrived at the Oscars! Despite narrowly missing out on winning the award, the children had a great evening (and particularly enjoyed the chocolate fountain!).

Well done team and watch this space - Woodside is bound to make a re-appearance at the 2019 awards!"
