

## Year 5

What a marvellous assembly today about our last topic "Good Vibrations" by 5 Baobab. Thank you to all the parents who came and supported the children. Children, this week, have produced some fantastic writing on the animated film "The Piano". In Numeracy, the children have continued to look at number in a variety of ways including negative numbers in temperature.

A quick reminder that there is both swimming and trips next week.

These are the dates for the trips:

5S - Tuesday 20th January 2015

5B - Wednesday 21st January 2015

5H - Thursday 22nd January 2015

Please remember to provide a packed lunch if you haven't requested a school meal. The children will be returning to school around 2pm. If you are able to accompany the children on the trip, please speak to your child's teacher.
