

Year 1

It has been an exciting start to the Spring term and our new topic, 'Animals at Home' which is all about animals we might find in our homes and in the United Kingdom. The children have seen their classrooms transform in to farmyards to reflect our topic, with a stable door, orchard and a farm shop.

Our Literacy text, 'Farmer Duck' also relates to our topic and we have been learning to use a range of adjectives to describe the farmer and the duck in the story.

Our Literacy text, 'Farmer Duck' also relates to our topic and we have been learning to use a range of adjectives to describe the farmer and the duck in the story.

We are beginning to learn about plants and the type of plants we might find around us before learning about plants that give us food.

We are very excited about our new topic!
