

Year 1

This week in Year 1 was very exciting for Muna Mao in 1Redwood as she was the lucky winner of the iPad mini! Thank you to everyone who completed their Pupil Premium forms.

The rest of Year 1 have been continuing to look at the story of Farmer Duck and this week we sequenced the story and thought about question words. We also took on the role of the duck and wrote postcards pretending to be him. We used the masks we created to help us to get in role!

We have been learning/practising rhymes and songs which are all about animals and we enjoyed practising as a group and performing to the class.

We are looking forward to creating paper mâché farm animals and this week we designed the animal we want to create before labelling it.
