

Year 1

This week in Year 1 we have become... Poets! We read lots of poems about animals and the farm. We really enjoyed 'Farmyard' by Gail Gregory so we decided to write our own versions of her poem. We planned our poems and thought of lots of adjectives to describe our chosen farm animals. We also thought about what they might be doing on the farm and we made a list of verbs. We looked carefully at the way poems look on a page and then we wrote our own versions of the farmyard poem.
