

Year 2

On Wednesday Year 2 had a fantastic opportunity to try African drumming. The workshop was organised as part of Black History Month. We learnt about hitting the drum in different ways to make different sounds and created different rhythms and beats. Everybody thoroughly enjoyed drumming, although our hands hurt a bit by the end of the session!

Today we got to see what 2B have been up to so far this half term. They did a brilliant assembly sharing some of the work they have been doing on their toys topic. They talked about their trip to the Museum of Childhood and taught us a great way to remember number bonds to 10. They even challenged some of the parents to make a paper aeroplane by following instructions! Thank you to all the parents who came to watch and well done 2B!
