

Year 2

This week Year 2 have been busy creating things for their classrooms. When we return to school after Christmas our classrooms will be ready for our new topic- Land Ahoy! We have been creating pirate ships, seagulls, treasure chests, waves and palm trees for a desert island. We are all excited to learn about pirates and explorers. We hope you have a restful break and look forward to seeing you back at school on Monday 5th January 2015.
