

Year 2

This week in Literacy we have been looking at Traditional Stories. First we read the story of The Three Little Pigs. Then we acted it out and retold the story in our own words. After we thought about how we could create an alternative version. We decided to change the characters but we kept the same story pattern.

"Once upon a time there were three little wolves and one big, bad pig. One day Mum said "Build your own house." "Okay," said the little wolves. The first little wolf built his house of straw and the second little wolf built his house of sticks but the third little wolf built his house of bricks. He used bricks because they are strong. The big, bad pig came and blew the first house down. The first little wolf ran to the next house and the huge pig followed his footprints."
