

"Once Upon a Time" homework

Dear Children and Adults,

This term's homework is led by our creative curriculum in an effort to develop your own preferred learning style and methods of presentation. We aim for you to become more independent learners, improve your research and communication skills and engage your whole family with your experience of school. You will be given several questions to research the answer to each half term. We expect all homework to be of a high standard. We expect it to show effort and pride. Please support us by giving the homework sent a high profile from you at home too. We expect it to be done and handed in on the date due!

READING

We would like all children to be reading at home every day for 15 minutes. Please ask your child questions about the text or ask them to talk to you about what they have read.

SPELLING

Each week you will be given a list of words to spell. Please learn these as we will be tested on them the following Friday.

MATHS

You need to practice your number bonds to 10 and 20 (addition and subtraction facts), doubles to 10 /20 and the related halves. You should also rehearse counting in 2's, 5's and 10's.

TOPIC WORDS

Do you know what these mean and how to write them?

fairy tale
castle
dragon
giant
knight
king
queen
shield
jester
banquet

WRITING

We are focusing on teaching the children how to write stories this half term, with a focus on adjectives. Please encourage the children to write their own or familiar stories at home.

Remember you can complete each task in whichever way you wish. You could complete it through posters, art work, movies, written poems, stories and PowerPoints. We look forward to seeing your final projects.
