Case Study: Borough Year 2 Tri-Golf Competition

Woodside has used The Sports Premium to organise a Year 2 Tri-Golf Competition for 8 local schools.

Chris Hodge (School Games Organiser) ran a training session for 24 of our year 6 pupils to equip them with the skills and knowledge to officiate at the competition.

The competition took place on Thursday 28th January and proved to be a great success. Eighty year 2 pupils from 8 schools took part in the event.
