

Year 4

It has been another fun filled week in Year 4! As part of Black History Month, children took part in an exciting African dance workshop. They have also been learning about the artist 'Chris Ofili' and studied some of his portraits. Children then created their own self-portrait in the style of the artist using a variety of mediums.

In Literacy, they have begun reading a new class text 'Ice Palace' by Robert Swindells. Children have been learning about descriptive language used in stories to create images in the readers' minds and made predictions about the events in the story. We will be continuing to read and work on this text over the next two weeks. In Maths, they have been learning how to use written methods for addition and subtraction where they applied their knowledge to solve logical problems.

Don't forget! Next week we will be visiting Lloyd Park to study local habitats and investigate creatures which live in ponds.
