

Year 4

1, 2, 3 GO! After completing our snail investigations this week, we had a snail race. Children enjoyed watching the trail left behind from the slimy snails and cheered for their class snail.

Also, in topic, children have been learning about explorers to the Antarctic and planned what they would do or take with them to ensure a safe arrival. Did you know – there is a little bit of Britain in the heart of the Antarctic. It is called Penguin Post Office and they even have a red post box like we have in Britain.

As part of Black History Month, children have been learning songs and performed during today's assembly.

They sang 'Stand by me' by Ben, E. King. Well done Year 4, you sounded great!
