FAMILY THURSDAY

Unfortunately, due to the current situation with Covid, we have taken the decision to suspend all Family Thursday events. We have therefore cancelled the Family Thursday on the 27th January 2022. We hope to resume these soon and will, of course, let you know in the newsletter when it will be back again.

MASKS

In the interests of safety, and following Government guidelines regarding Covid 19 and the Omicron variant, we are now asking all visitors and parents who are collecting their children to wear a mask whilst in the nursery buildings. Thank you for your cooperation.

COVID UPDATE

If a child under 5 is identified as a close contact of someone with Covid 19, they are **NOT** required to self-isolate, unless they develop symptoms. They should **NOT** start daily testing.

If a parent/carer tests positive your child should take a **Lateral Flow Test**.

If **POSITIVE**, they should immediately begin an isolation period of **5 days**. They should take a **Lateral Flow Test** on **day 5 and day 6**, and if negative on either day can come out of their isolation period.

If **NEGATIVE**, with **no symptoms**, they should return to nursery and test again if they develop any symptoms.

MEDICAL RESOURCES

For our new topic in 3-4's, we need medical resources to support role play. If you have any spare bandages, plasters, empty medicine containers, or any other resources please bring them in.

Thank you.

NURSERY ATTENDANCE

At Woodside we believe attendance is very important and it is essential that your child attends their nursery place if they are not unwell, or have Covid symptoms.

We will be monitoring the children's attendance over the course of this term and we will be giving out some class prizes to the **BEST** attendance!
