

Year 5

The Year 5 children have been very busy this week. As part of Black History Month, children took part in an African Dance workshop. The children really enjoyed learning and taking part in the workshop. Make sure you ask them to show you their new moves! Children have also started to learn a song which they will perform during a special Black History Month assembly.

Quick reminder, we need parents to support the class teachers taking the children to swimming. We appreciate that there isn't a lot of time available for parents but if you can spare an afternoon on a Wednesday or Thursday, we would really appreciate it.
