

Year 5

The first half term is over in Year 5. Look out for 5S assembly in December which will be about everything we have learnt about the Victorians.

The Year 5 children performed amazingly today in their Black History Month assembly.

Our topic next half term is Good Vibrations (Sound). As extra homework, children can make a 3D object to decorate their new classroom environment. Have a great half term.

See you after the holidays. The Year 5 Team.
