

Year 6

Welcome back - we hope you had an enjoyable and restful break. This half term we are carrying on our topic about Ancient Greece. We will be looking at Greek philosophy and architecture amongst other things.

Children have been writing their own independent discussion texts this week in literacy and showed an ability to offer a balance of arguments for and against a given topic.

The Woodside fireworks celebrations were amazing and children have been writing about it this week - there were some explosive examples! Well done. Please ensure children continue to read daily and that this is recorded in their reading records by parents, daily.
